From the Hanly Learning Community Learning Pit:

Dear Kindergarten Families,

We are experiencing such joy in learning within our Kindergarten environment! Last week our children created bead counting sticks, programmed Bee Bots to investigate position, wrote and read words, began handwriting in lines, discovered the many places we can pray, played ball games as a successful team member, discussed and explored ways to 'Be Brave' and the list goes on and on! Wow! We are such successful, engaged and interested learners. Well done, Kindergarten. We also give a gold star award to our families for your outstanding efforts in supporting your child with their sound focus at home. In a few week's time, we invite you to join with our Kindergarten Team to explore ways you can further assist your child at home in their early literacy development. Have a wonderful week ahead!

Warm regards, Laura Warby, Michelle Clarke and Kylie Cane
