From the Ryland Learning Community Learning Pit:

Our wonderful Year 1 children continue to challenge and excite us and each other as they engaged in another wonderful week of learning. Our mathematics learning intentions for the week were as follows:

***We are learning to count, order, read and represent three-digit numbers.***

***We are learning to estimate, measure, record and compare the length of objects.***

Ask your child to explain their learning in mathematics this week - how do I know I am a successful learner?

Please continue to read and practise spelling words each night as the race to holidays has begun!

Warm regards, Kylie, Karen and Rosemary
