### From the Ryland Learning Community Learning Pit:

This year at our Christmas Carols Community night (Dec 12) our school will be presenting the local St Vincent de Paul President with Christmas hampers and toys that we have collected through donations from our school community.

It is a hectic and expensive time of year, however it is so important that we remember those less fortunate in our community. We can all work together to support the poor and disadvantaged in our community. The Christmas Appeal aims to provide much needed help and practical assistance by providing food hampers, emotional support, toys and gifts for children, individuals and families so that they can experience the joy of Christmas. We are encouraging our children to bring in Christmas goodies, non perishable food items, toiletries and gifts to fill up the two baskets in our room. We also ask that students donate money so that presents can be purchased for primary aged boys and girls for the Vinnies Christmas Appeal. These gifts will be presented on December 12th also.

As the festive season approaches, we encourage students to share the Christmas spirit with their friends by giving and receiving Christmas cards. However, after careful consideration, the decision has been made to not allow the giving and receiving of candy canes at school. Please respect this decision and do not send candy canes to school. We thank you for your support in this matter.

Warm regards, Kylie, Karen and Rosemary
