Dear Parents,

We have enjoyed another delightful week in Kindergarten, with last Wednesday being the first transition day for our 2021 Kindergarten class! How time flies! Our 2020 Kinder class have grown in so many, many ways and it was so lovely for us to reflect upon the joy of 2020 as we welcomed our new Kindies.

We have started the process of crafting our stories to match our diorama settings and the children are enjoying being little authors. We are brainstorming creative ways to publish our stories in order to entertain our audience. We have also enjoyed engaging with the story of Noah's Ark in Religious Education lessons, with the children delighting in retelling the story with our wooden ark and animals. The story tells of the renewal of creation and God's promise of continued blessing on the whole of creation throughout time. A lovely dinner time conversation perhaps?! Have a lovely week.
