### From the Ryland Learning Community Learning Pit:

The children have been engaged in lots of 'check-ins' this week and to our delight have performed just beautifully.

**Literacy** Reading for meaning is the essence of why we read. To be entertained, informed and persuaded through literature. Be sure to ask your child to retell the story or share some interesting facts they have read. Ask them to prove their thinking by locating the information in the text.

**Maths** Be sure to practice your goals. Check that your child can count forwards and backwards from any starting number. Eg, start at 122 and count back to 115. Start at 105 and count back to 89. This is a common area where year one children get 'stuck.' Let's be sure they have it on board ready for year 2. Looking forward to camp day next week!

Warmest regards, Rosemary, Bianca, Mandy, Karen & Cate
