

Term 2 Week 3

THIS WEEK AT SCHOOL:

Welcome all our students to Term 2 Week 3.

From Monday 11th May, attendance at school is no longer restrictive. As a minimum, all students should return to school in line with the gradual transition plan. From Monday, 18th May, Week 4, Year 1 and Year 2 students should return to school.

Monday: Virtual Flag raising

Friday: Radio Station Assembly - Student Hub access.

Water Bottles

In the interest of student hygiene we are encouraging students to bring their own labelled water bottles to school to reduce the use communal bubblers.

UPCOMING SCHOOL EVENTS:

Please note all upcoming school events have been postponed, new dates will be advised in due course.

As a parish community we are trying to keep connected during this difficult time. If you are a Facebook user and you are interested in joining:

Happy Mother's Day to all our wonderful year 2 mums and carers. We hope you get spoilt on Mother's Day! This week students who are at school will be learning according to our normal school timetable and teaching programs. Students learning from home can continue their learning by completing work tasks provided in their learning packs as well as completing the Catholic Schools Office Inquiry units (if desired), which is located on the Student Hub. There will be no more Zoom conferencing, however, we will continue to support students learning at home via Seesaw.

We farewell Mrs Macqueen from Year 2 classroom. We thank her for all her hard work this term. She will be joining the Science teaching team. We warmly welcome Mrs Faga to our class and look forward to sharing all our learning with her.

Stay well and have a great week.

Kind regards,

James, Louise & Cate
