### From the Ryland Learning Community Learning Pit:

Students filled the Gems in the Jar recently, which is a direct result of their excellent behaviour. Their reward will occur on Friday, November 27th and will include mufti dress, class movie or free time & an ice-block.

In Year 2 we are continuing the strong focus on comprehension when reading. When the students are reading at home, you can quiz them on the content within the text they have just read. You may also like to ask the students to retell the story to you. These simple strategies will go a long way in developing stronger comprehension skills.
