From the Polding Learning Community Learning Pit:

In Mathematics this week, we are exploring the concepts of fractions of collections. Students will be presenting their persuasive speeches in English about persuading Australians to holiday at home this year. We will be encouraging students to deliver their speeches with passion and confidence. The month of October has been devoted to saying the Rosary which students have been keen to lead. As part of prayers of intention, we will be praying for those who have died. Prayer cards will be available to hold on our prayer table. The year is fast approaching an end and we take the opportunity to thank you for your support. Tarri Johns, Chris Burton & Jo Pickett.
