From the Polding Learning Community Learning Pit:

In Mathematics this week, we are continuing to work on concepts of time. Further, we are in revision mode in areas of student need. The poetry unit is engaging and students are focusing on using Thesauruses to improve vocabulary choices. Advent activities will focus on the main events that lead up to Christmas. Week 8 onwards we are not requiring homework to be completed however, students are welcome to complete any unfinished work in Maths Online or Study Ladder. Have a wonderful week.

Take care. Chris Burton, Tarri Johns & Jo Pickett.
