From the MacKillop Learning Community Learning Pit:

It is hard to believe it's Term 3 already! What a "memorable" year 2020 has already proven to be! We pray this term remains "normal" and, we look forward to gaining momentum in relation to learning! Notable events for Year 5 include Springloaded for sport on Fridays, commencing Week 4, Student/Teacher/Parent Conferences and Pupil-Free days in Week 3 (see above for dates). In an effort to consolidate learning, build independence and promote "good learning habits", we are encouraging all students to complete set homework tasks, commencing Week 2. Task include: 1. Daily reading- to be recorded in school diary with parent's signature. 2. Spelling- Dictionary meanings for set words, completed in homework book. 3. Maths Online- completed set homework activities. Please remind your child of the importance of homework and encourage them to be organised.

Thanks for your support,
Michelle, Kate and Jo
