Caitlyn H
Eloise
Hailey

We wish the following students a very Happy Birthday:

November Birthdays

Ava B
Imogen
Scarlett
Ben
Eloise
Ava W

From the MacKillop Learning Community Learning Pit:

Welcome to wonderful week 4! Please note, this is a short week of learning due to our pupil free days on Tuesday and Wednesday.

In Mathematics, Year 5 will focus on consolidating their understanding of multiplication and division. We are learning to apply mental and written strategies to solve problem involving larger numbers. You could assist your child with their learning by ensuring they can recall multiplication facts accurately and fluently, readying them to receive their times table medallion. If your child already has achieved their medallion, they should ensure they have completed all of the related Maths Online tasks.

Regards,
Kate, Michelle and Jo.
