From the MacKillop Learning Community Learning Pit:

With the ever evolving COVID situation forcing us to have 3 Way Conferences via the phone....it provided the children with an opportunity to show their strength, resilience and adaptability in a time of uncertainty. As teachers, we are incredibly grateful to the Year 6 cohort for remaining optimistic and embracing the responsibilities of this year wholeheartedly. Despite everything that has limited the usual activities of a typical Year 6, the class has remained very positive and hopeful. Thank you parents and children for your continued and very valued support this year.

Congratulations to the following students who have achieved the honour of receiving their **MULTIPLICATION MEDALLION:**
Piper, Bryce, Emma, Luca, Lilly V and Mitchell.

Regards,
Gav, Lisa and Jo
